ABOUT ME

I am a talented, ambitious and hardworking millennial with broad skills and experience in the entrepreneurial sector. In addition, I am adept at handling multiple tasks every day as a leader in a company competently and work well under pressure to achieve targets.
Key strength is communication; build strong team relationships to provide the best results.

I am currently running a master business administration program at a private university and fully run a holding company with 4 subsidiaries engaged in the technology, shipping and mineral sectors.
